

Week 2- (Week of April 6th-10th)

3rd-6th Grades: 3-6

First watch these videos:

<https://safeYouTube.net/w/zTG3>

<https://safeYouTube.net/w/aeH3>

Then :

This week, I want you to draw a picture of your room, like Vincent Van Gogh did. Use any art materials you have available, (If you have no art supplies, write and describe to me about what your room has in it and if you had paint, what would you paint as the main object-focus and tell me the colors of your room, like interior design, does your room have patterns, stripes, a theme etc.. Describe your room, think outside the box if you wish, like what would you wish to have if you could change the color, etc.? As artists, we first see, then sketch, then design, then add color. 😊
